At USA Ballet we believe that there are many life-long benefits that can be achieved from attending the right summer intensive.

USA Ballet Intensives will improve your dance technique, boost your self esteem, challenge your creativity, work on communication skills and enhance your individuality.

Passion and hard work should always be given the opportunity to thrive! You never know what can be accomplished until you try, and USA Ballet's environment encourages and nurtures individual growth.

USA Ballet Academy is an internationally acclaimed ballet school whose students have received numerous awards from International ballet competitions, receiving great commentary from the ballet world's most prestigious dance figures including Natalia Makarova (Kirov Ballet), Yelena Vinogradova (Kirov Ballet), Laura Alonzo (National Ballet of Cuba), Alexander Dementjev (Yekaterinburg Ballet), Diana White (NYC Ballet), and Eleanor D'Antuono (American Ballet Theatre).

Annual Summer Intensive: Attend one or two weeks of intense training in ballet, jazz, modern, contemporary, character, partnering, variations and dance history, ending in a free performance. Level II also has a choreography class which stimulates their creative side and boosts their self-confidence.

Audition not required.
